 Paragon™ Core

→ **Pro Defiant**
 Laydown: 30.86
 Launch Angle: -3.25°
 Break Point: 44.55
 Impact Point: 17.59

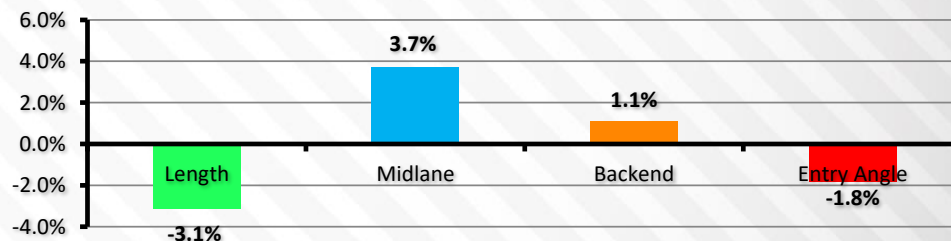

Defiant Amped
 Armor/C™ Pearl Reactive
 1500-grit Polished
 Paragon™ Core

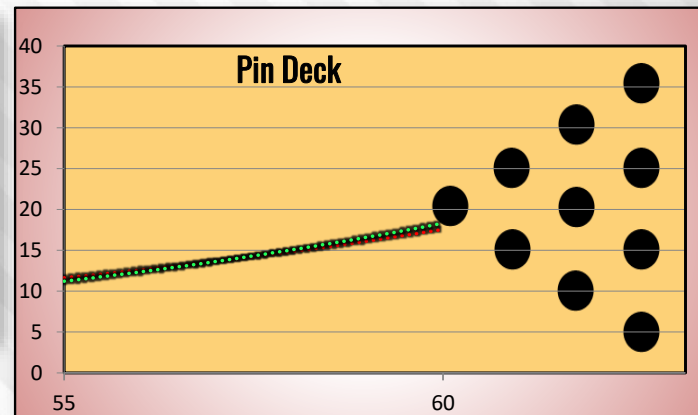

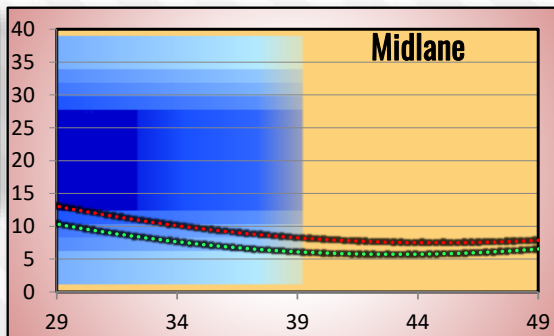

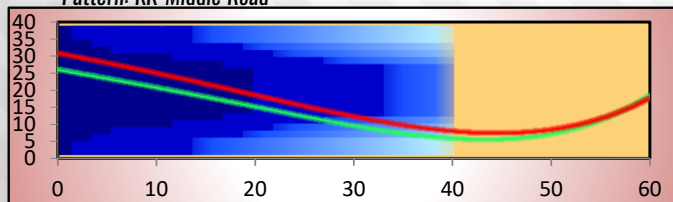

→ **Defiant Amped**
 Laydown: 25.95
 Launch Angle: -2.85°
 Break Point: 43.29
 Impact Point: 16.89

Pro Defiant™ vs Defiant™ Amped

- Pro Defiant's aggressive cover matched up well on heavy conditions.
- Defiant Amped's polished cover created great length and entry angle.
- Both balls complemented each other very well.
- The Paragon Core provided ample flare to help both balls recover from anywhere.
